

To All Nursery Volunteers:

Following is a calendar for nursery duty for the next quarter. Please note that we are trying something new. I have divided the help between Babies (under 2) and Preschoolers. We are doing this hoping to separate the babies and keep them safer. Also, we have some volunteers that prefer one age group over another. You are not limited to that age group. You can decide between you and the other helpers who does what age. Also, if there are only a few kids, it is fine to combine the groups as long as safety is noted.

We have also included a list of all nursery volunteers and their phone numbers so you will be able to contact someone to switch with you if you are unable to keep nursery on your scheduled date. If you are unable to find someone to cover you, please contact Jan Smith, Karen Holland or Brooke Casper as soon as you can so we can help find someone to cover. Please remember to **switch** with someone if you have a change so no one has to do double duty. Thanks for all your help.
